## The Conference

### Planning successful orthodontic cases

**Summary:** This lecture will focus on modern orthodontic techniques and serve as a review for the experienced orthodontist and as an introduction for those new to the practice.

### Learning Objectives:

- Gain a new perspective on modern orthodontic treatments
- Refine technical ability to successfully implement new techniques

AGD Points  
Value:

**Conference Fees:** Dentists: \$795 + tx / Auxiliaries: \$275 + tx

*(AGD approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement)*

## Dr. Michel Champagne

Dr. Michel Champagne is the co-founder with Dr. Jean Noël Lavallée of the International Dental Institute of Montreal, where he is the director of the orthodontic program. He is a frequent lecturer and continues to present in many countries including Canada, the United States, Puerto Rico, Mexico, Spain, France, the Philippines & India.

He is the author of more than 30 articles in mainstream dental journals and collaborated in 2009 with the journal "The Indian Dentist" where he published a series of 6 articles in orthodontics. He is the co-author with Drs. Delaire and Patti of "The Treatment of Class II Malocclusions" published in the Fall of 2009 by Qunitescence. Dr. Champagne is the Editor of the International Journal of Orthodontics.

Dr. Champagne graduated from the Faculty of Dental Medicine at the University of Montreal in 1974. He joined a group practice in Drummondville in 1974 and interested in orthodontics early in his practice, he became a member of the International Association of Orthodontics (IAO) and became a Senior Instructor of the IAO in 1985. He obtained his Diplomate of the International Board of Orthodontics (IBO) in 1990 and his Master of the Academy of General Dentistry in 1998.

## The Royal Caribbean Serenade of the Seas

One of Royal Caribbean's newest cruise ships, the Serenade of the Seas offers the ultimate "at sea" experience by combining speed, added comfort, greater space and sweeping ocean vistas. Among the ship's spectacular features are the ten-story glass-constructed Centrum, glass elevators facing the sea and the highest percentage of outside cabins in the Royal Caribbean fleet. Amenities include a rock-climbing wall, golf simulators, putting green and sports court. Spa devotees will enjoy tranquil afternoons in a solarium filled with lush foliage and waterfalls and for the gastronome, specialty restaurants include "Chops Grille," "Portofino," and the "Windjammer Cafe."
