Dr. Grisdale has published in the area of treatment for dentin sensitivity, implants, bone regeneration and soft tissue periodontal adhesives. He is an active participant in clinical research and the study of contemporary periodontal products.

About the Oceania Insignia

Insignia radiates her own unique warmth and character. Her distinctive personality shines through from the moment you first step into her newly redesigned, neo-classical lobby or Toscana Grill, resplendent in rich new fabrics and furnishings that reflect the charisma of Tuscany. Insignia boasts decks and verandas graced with the finest teak and exquisite custom stone and tile work. The open-seating policy allows you the freedom to dine when, where and with whom you wish. In the evening, you may dine at any of four exquisite restaurants, each one unique and radiating its own special ambiance.
